New Business Items SW Advisory Committee Requests. None.

New Business.

- 1) Becky Fast spoke to the committee about the requirement for 350 hours of direct client contact as part of the master's degree practicum. She has researched other states and most do not have this as a requirement.
- 2) The committee discussed mandating clinical supervision training and the time frame that should be allowed. Andrea Perdomo-Morales motioned that the training to become a board-approved supervisor be eight hours in length (in regulation). Angi Heller Workman seconded. The motion passed. The committee suggested to use the same language as the marriage and family therapist statutes regarding clinical supervisors. Andrea will take this information to the board and request that it be added to the legislative package.
- 3) The committee discussed how to broaden the language for the reduction of the 350 hours to 200 to take to the Board. They agreed to leave the language as is and continue to discuss as necessary.

Old Business.

- 1) The committee discussed the NASW updates on Social Media. They feel adopting their policy would be beneficial. Will need to take to a future Board meeting to talk to the Board's attorney to find out what we need to do for this.
- 2) The Social Work Training Plan guide is now available on the BSRB website.

Adjournment. The next meeting was scheduled to begin at 1:00 p.m. on Tuesday, January 26, 2021. Jane Holzrichter motioned to adjourn. Carolyn Szafran seconded. The motion passed.
