APPLICABLE LAW

9. K.S.A. 65-6302(b): "Social work practice" means the professional activity of helping individuals, groups or communities enhance or restore their capacity for physical, social and economic functioning and the professional application of social work values, principles and techniques in areas such as psychotherapy, social service administration, social planning, social work consultation and social work research to one or more of the following ends: Helping people obtain tangible services; counseling with individuals, families and groups; helping communities or groups provide or improve social and health services; and participating in relevant social action. The practice of social work requires knowledge of human development and behavior; of social, economic and cultural institutions and forces; and of the interaction of all these factors. Social work practice includes the teaching of practicum courses in social work and includes the diagnosis and treatment of mental disorders as authorized under K.S.A. 65-6306 and 65-6319, and amendments thereto.

10.K.S.A. 65-6311(a)(9): The board may refuse to issue, renew or reinstate a license, may condition, limit, revoke or suspend a license, may publicly or privately censure a licensee or may impose a fine not to exceed \$1,000 per violation upon a finding that a licensee or an applicant for license has been found to have engaged in unprofessional conduct as defined by applicable rules and regulations adopted by the Board. Specifically:

- a. K.A.R. 102-2-7(h): failing to recognize, seek intervention, and otherwise appropriately respond when one's own personal problems, psychosocial distress, or mental health difficulties interfere with or negatively impact professional judgment, professional performance and functioning, or the ability to act in the client's best interests.

11. Licensee and the Board mutually desire to enter into this Consent Agreement and Final Order in lieu of further summary and adjudicative proceedings.

12. Licensee understands that by entering into this Consent Agreement and Final Order Licensee waives all rights to further adjudication of facts and law that could be determined pursuant to summary proceedings or a hearing conducted in accordance with the Kansas Administrative Procedures Act, K.S.A. 77-501 *et seq.* in relation to Case No. 20-BS-0037.

13. Licensee waives the right to file a motion for reconsideration and all rights of appeal pursuant to the Kansas Act for Judicial Review, K.S.A. 77-601 *et seq.* in relation to Case No. 20-BS-0037.

14. The Board accepts Licensee's waiver of rights and stipulations.

ORDER

WHEREFORE, the Board finds that the above facts have been established by clear and convincing evidence; and further finds that Licensee was in violation of K.S.A. 65-6311(a)(9), as defined in K.A.R. 102-2-7(h), in that Licensee did not appropriately respond to her own personal problems which caused her to not complete her documentation in a timely manner or see clients that were assigned to her.

Additionally, Licensee was in violation of K.S.A. 65-6311(a)(9), as defined in K.A.R. 102-2-7(j), in that Licensee performed services clearly inconsistent or incommensurate with one's training, education or experience or with accepted professional standards when Licensee did not complete her documentation in a timely manner or see clients that were assigned to her.

Such litigation or claims include, but are not limited to, any K.S.A. Chapter 60 or Chapter 61 civil action regarding negligence and/or a 42 United States Code action and/or any administrative petition for redress. Licensee agrees that all actions in this matter were a bona fide use of administrative discretion on the part of the Board, its members, and employees, which is a statutory exception to liability within the Kansas Tort Claims Act, K.S.A. 75-6104(b), (c) or (e).

24. Licensee agrees that this Consent Agreement and Final Order conforms to Kansas and federal law and that the Board has jurisdiction to enter into it and enter the Final Order provided for herein.
