The parties knowingly and voluntarily agree as follows:

1. On August 24, 2015, the Board issued Licensee an original Licensed Master Social Worker (“LMSW”), having been issued LMSW License No. 9793. Then on January 7, 2020, the Board issued Licensee an original Licensed Specialist Clinical Social Worker (“LSCSW”) No. 5100. This license expires on January 31, 2022. Licensee is currently, and was at all times relevant to this Consent Agreement and Final Order, a licensed social worker within the meaning of the laws relating to regulation of social workers, K.S.A. 65-6301 *et seq.*

CASE NO. 20-MS-0023

2. On or about August 19, 2019, a Report of Alleged Violation was received by the Board alleging Licensee may have violated certain statues and regulations governing the practice of licensed social workers in the State of Kansas.

3. From approximately June 6, 2019, through July 15, 2019, Licensee provided therapy to an adult client.

4. Licensee had computer problems on the initial session, and the client was not able to sign any documents on that date. Additionally, the documents did not contain the standard intake information.

5. Licensee did not follow-up with having the client sign any of the documents at a later session.

6. Licensee provided information to the client's parents regarding the client without any written release of information.

7. Additionally, the client has requested from Licensee a copy of her written records. Licensee has not provided to the client these written records.

APPLICABLE LAW

8. K.S.A. 65-6302(b): "Social work practice" means the professional activity of helping individuals, groups or communities enhance or restore their capacity for physical, social and economic functioning and the professional application of social work values, principles and techniques in areas such as psychotherapy, social service administration, social planning, social work consultation and social work research to one or more of the following ends: Helping people obtain tangible services; counseling with individuals, families and groups; helping communities or groups provide or improve social and health services; and participating in relevant social action. The practice of social work requires knowledge of human development and behavior; of social, economic and cultural institutions and forces; and of the interaction of all these factors. Social work practice includes the teaching of practicum courses in social work and includes the diagnosis and treatment of mental disorders as authorized under K.S.A. 65-6306 and 65-6319; and amendments thereto.

9. K.S.A. 65-6311(a)(9): The board may refuse to issue, renew or reinstate a license, may condition, limit, revoke or suspend a license, may publicly or privately censure a licensee or may impose a fine not to exceed \$1,000 per violation upon a finding that a licensee or an applicant for license has been found to have engaged in unprofessional conduct as defined by applicable rules and regulations adopted by the Board. Specifically:

- a. K.A.R. 102-2-7(j): offering to perform or performing services clearly inconsistent or incommensurate with one's training, education, or experience with accepted professional standards for social work.

- b. K.A.R. 102-2-7(s): revealing information, a confidence, or secret of any client, or failing to protect the confidences, secrets, or information contained in a client's records.
- c. K.A.R. 102-2-7(ii)(4): if the social worker is the owner of the records, failing to maintain for each client a record that summarizes the intervention, treatment, tests, procedures, and services that were obtained, performed, ordered, or recommended and the findings and results of each.

10. Licensee and the Board mutually desire to enter into this Consent Agreement and Final Order in lieu of further summary and adjudicative proceedings.

11. Licensee understands that by entering into this Consent Agreement and Final Order Licensee waives all rights to further adjudication of facts and law that could be determined pursuant to summary proceedings or a hearing conducted in accordance with the Kansas Administrative Procedures Act, K.S.A. 77-501 *et seq.* in relation to Case No. 20-MS-0023.

12. Licensee waives the right to file a motion for reconsideration and all rights of appeal pursuant to the Kansas Act for Judicial Review, K.S.A. 77-601 *et seq.* in relation to Case No. 20-MS-0023.

13. The Board accepts Licensee's waiver of rights and stipulations.

ORDER

WHEREFORE, the Board finds that the above facts have been established by clear and convincing evidence; and further finds that Licensee was in violation of K.S.A. 65-6311(a)(9), as defined in K.A.R. 102-2-7(j), in that Licensee performed services clearly inconsistent or incommensurate with her training, education or experience or with accepted professional standards when Licensee failed to provide to her client the client's written record after the client requested her records.

Additionally, the Board finds Licensee was in violation of K.S.A. 65-6311(a)(9), as defined in K.A.R. 102-2-7(s), in that Licensee revealed information regarding her client to the client's parents without an informed consent signed by the client allowing Licensee to release this information.

The Board also finds Licensee was in violation of K.S.A. 65-6311(a)(9), as defined in K.A.R. 102-2-7(ii), in that Licensee failed to maintain her client records when she did not have standard intake information.

AND WHEREAS Licensee and the Board mutually desire to enter into a Consent Agreement and Final Order in lieu of further adjudicative proceedings to resolve the reported violations.

NOW THEREFORE, Licensee consents to the following terms and conditions, and the Board orders that:

23. Licensee shall submit to the Board's investigator at its offices located at 700 SW Harrison St, Suite 420, Topeka, Kansas, 66603, any and all documents evidencing compliance with the terms and conditions required by this Consent Agreement and Final Order.

24. After completion of the actions set out in the Consent Agreement and Final Order, Licensee will have no remaining obligations to the Board in relation to this case. However, Licensee may be subject to further enforcement action if Licensee fails to comply with the terms, conditions, and requirements imposed by this Consent Agreement and Final Order.

25. The matters referred to in this Consent Agreement and Final Order shall not be grounds for future action against Licensee, except the extent that that such matters may be relevant for future disciplinary or licensure proceedings in the Board's consideration of the factors identified in K.S.A. 65-6313 [Licenses; effective and expiration dates; renewal; continuing education; safety awareness training; reinstatement; duplicate; notice of change of address], and K.S.A. 65-6311 [Grounds for suspension, limitation, condition revocation or refusal to issue or renew license; procedure; licensure of applicant with felony conviction, requirements], for establishing rehabilitation or a pattern of conduct.

26. Except as provided in paragraph 25, this Consent Agreement and Final Order shall operate as a complete release of all claims the parties may have against each other pending before the Board and arising out of the Board's investigation of these matters. Licensee agrees not to file, or cause to be filed, any litigation or claims in any federal or state court of law or federal or state administrative agency against the Board, its agents, Board members, or employees, individually or in their official capacity. Such litigation or claims include, but are not limited to, any K.S.A. Chapter 60 or Chapter 61 civil action regarding negligence and/or a 42 United States Code action and/or any administrative petition for redress. Licensee agrees that all actions in this matter were a bona fide use of administrative discretion on the part of the Board, its members, and employees, which is a statutory exception to liability within the Kansas Tort Claims Act, K.S.A. 75-6104(b), (c) or (e).

27. Licensee agrees that this Consent Agreement and Final Order conforms to Kansas and federal law and that the Board has jurisdiction to enter into it and enter the Final Order provided for herein.

30. This Consent Agreement and Final Order constitutes the entire agreement of the parties and may only be modified by order of the Board or by a subsequent writing signed by the parties. The agreement shall be interpreted in accordance with the laws of the State of Kansas.
