This application should be used by Out-of-State Licensed Clinical Addiction Counselors, whose license allows for the independent clinical practice of addiction counseling, who wish to provide services in the State of Kansas or for the residents of Kansas, for a limited amount of time.

Instructions for paying the \$200 application fee may be found on **Appendix A**. FEES ARE NON-REFUNDABLE.

The Temporary Permit for Out-of-State Clinical Addiction Counselors (Temporary Permit) will be active for one year and authorizes 30 days of practice in the state of Kansas. This practice includes both in-state practice as well as teletherapy to clients located in the state of Kansas when the services are provided.

Extension of Temporary Permit. Under emergency circumstances, the Board may extend the Temporary Out-of-State Permit for **not more than one additional year**, which would entitle the Temporary Permit-holder to practice for an additional year and receive 30 additional days of practice for a \$200 fee. If you wish to continue to practice in the state of Kansas after this time period, you will need to apply for a full license.

Quarterly Reports. Anyone who holds a Temporary Permit must submit quarterly reports to the Board on the number of days you have practiced in Kansas. Please see the form in this application packet.

The Permit-holder must meet the following requirements:

- A. Hold a license which allows the clinical practice of addiction counseling.
 - The board is unable to issue a Temporary Permit to any applicant whose license requires that the person practice under supervision; and
- B. Have two years of clinical practice in addiction counseling in your home state during the two-years immediately preceding application for a Temporary Out-of-State Permit.

Verification. The Board staff will attempt to verify your license(s) on-line.
