

Kansas Fights Addiction Grant Review Board Update May 2024

The Kansas Fights Addiction Grant Review Board (KFAB) has met three times since your last update. Additional information can be found on both the Sunflower Foundation website at [Kansas Fights Addiction - Sunflower Foundation](#) as well as the Kansas Attorney General's website at [Kansas Fights Addiction Act Grant Review Board \(ks.gov\)](#)

April 12

The agenda for this meeting was originally set to approve the release of an RFP to release a second round of treatment funding into the State. The Board determined a need to postpone releasing the RFP in light of a number of direct Legislative requests to allocate the funds for specific projects at specific agencies. The Board tasked Sunflower Foundation with drafting a letter expressing the concerns of the Board about this practice and set a special meeting for April 19 to review and release the letter.

April 19

This was a special meeting set to review and edit a letter including a Statement of Concerns about the Legislative action taken on the behalf of three organizations without going through the process established through Legislative action in the KFA Act. The Board authorized Sunflower to send the letter (the final copy can be found on the Sunflower Foundation website at the link listed above) to the members of both the House and the Senate as well as the Governor.

Next meeting is scheduled for May 10
