

Possible survey topics for survey of LPs

1. Demographic questions
 - a. General demographic questions on diversity factors?
2. Practice Questions
 - a. In what counties do you practice?
 - b. Do you practice in a predominately urban, rural, or frontier area? Include suburbs? Maybe define?
 - c. Is the majority of your psychology practice in-person or telehealth?
 - d. Question on practice area: strictly academic, administrative, psychological evaluations, direct client care?
 - e. How many years have you practiced psychology?
3. Supervision questions
 - a. Do you currently provide supervision to applicants in Kansas?
 - b. How many individuals do you provide supervision to at one time?
 - c. Do you provide supervision in-person, by screen, both? (maybe ratios)
 - d. If you are currently providing supervision, have you experienced any issues providing that supervision?
 - e. If you do not currently provide supervision, could you explain why?
4. Disciplinary issues
 - a. Over the past two years, based on your observations and experience practicing psychology in Kansas, could you share information on any practice-related issues you have seen, such as areas where practitioners appeared to need more continuing education or training in a certain area?
 - b. Over the past two years, have you experienced any issues concerning telehealth, either through professional practice or observations of other practitioners?
 - c. Do you have any other comments or feedback you think would be helpful for the members of the Licensed Psychology Advisory Committee of the Behavioral Sciences Regulatory Board to receive when evaluating possible changes to the statutes and regulations for the psychology profession?
5. Postdoc
6. Jurisprudence examination?
7. Artificial intelligence? Concerns? Use?
8. In your opinion, in what ways is telehealth helpful in your practice/daily use?
9. Prescribing?
