

INSTRUCTIONS FOR LICENSURE APPLICATION THROUGH RECIPROCITY – LAC or LMAC

1. *To apply for the Kansas Licensed Addiction Counselor (LAC) OR Licensed Master's Addiction Counselor (LMAC) through reciprocity, you must hold, in another state, an active addiction counselor license, registration, or certification at the level you are applying for in Kansas.*
2. **Criminal Conviction/s** - You are required to report the following convictions:
 - A. Conviction of any felony
 - B. Conviction of any misdemeanor crime against a person

Either of the above listed convictions will require you to complete the Conviction Packet. You may click on this link to download the: [Conviction Packet](http://www.ksbsrb.ks.gov) or you may find this packet on our website, www.ksbsrb.ks.gov under forms. You must return the required documentation with your application packet. **Your application will not be reviewed without this information.** Your application will require a determination from the full Board on eligibility for licensure. **Please allow extra time for a decision to be made on your application.**

3. **Email.** The BSRB requires that you provide an email address. Email is the Board's primary method of communication. If you change your email address, update your information with the Board office right away.
4. This application is for the LAC or LMAC. These two levels of license are not a clinical level of licensure. An LAC cannot diagnose substance use disorders and the LMAC may only diagnose substance use disorders under the direction or supervision of someone who holds a clinical/independent level of licensure in the state of Kansas. Please review the statutes and regulations for a detailed explanation of the levels of licensure as well as requirements for licensure. If you meet the requirements and wish to be licensed at the clinical level (LCAC), which allows for the diagnosis of substance use disorders. Please download and complete the Application through Reciprocity for LCAC.

5. Requirements for Licensure Through Reciprocity

Route 1) Standards of your state's requirements are substantially equivalent to Kansas requirements for licensure as an LAC or LMAC. Please see K.S.A. 65-6610 for licensure requirements. Detailed requirements may be found in the regulations, which may be found on our website. At least a baccalaureate degree if applying for the LAC. At least a master's degree if applying for the LMAC.

Route 2) A. Continuous Registration, certification or licensure with a similar scope of practice for at least 12 months immediately preceding the date of application for reciprocity with Kansas.

B. Absence of disciplinary action of a serious nature brought by a registration, certification or licensing Board. This will be attested to on the License Verification form and should be completed by your licensing agency.

C. At least a baccalaureate degree if applying for the LAC. At least a master's degree if applying for the LMAC.

6. **Verification of License:** The Board must receive a license verification from every state or jurisdiction in which you hold, or have held a license, certificate, or registration. This verification must be sent from the other state board directly to the BSRB. Exceptions are made when the other state agencies will not send written verifications. Please include a note letting us know if your state does not send written verifications.

Within the reciprocity application packet, you will find a License Verification form for your use. If the BSRB does not receive information regarding your education and passing of the ASWB exam, you will be required to have the following documents sent directly to the Board office.

- A. An official transcript sent directly from your college or university to the Board office.
- B. An official score report sent directly from the examination company to the Board office.

These documents will not be accepted if submitted by the applicant rather than the issuing institutions.

You will receive an email conformation when your application has been received and entered in our system. Included in this email is a user ID number that will be used to create an account in the system. This will allow you to follow your application online and see which documents have been received and what is still needed.

Applications are reviewed in the order in which they were received. We are unable to expedite any applications, except those for military and military spouse.

Allow 30 days for review of your completed application packet.
