

Possible Questions for Survey of Social Workers in the Summer 2025

New questions in survey of other professions suitable for social workers

- Do you primarily work in a public practice, private practice, educational setting, or another setting?
- How many years have you practiced as a social worker (between Kansas and other states)?
- Do you maintain an active license, but no longer work as a social worker? If so, please explain why you are not providing services currently.
- In a typical week, how many hours do you provide **in-person** services to clients?
- In a typical week, how many hours do you provide **telehealth/remote** services to clients?
- In a typical week, how many hours are you **responsible for supervising, managing, or overseeing the work of others?**
- (Bachelor's and Master's) Are you currently working towards attaining a LMSW/LSCSW license in Kansas? If you are not taking steps to receive a LMSW/LSCSW license, please explain why you made that decision:
- Do you anticipate retiring from the social work profession in the next five years?
- To assist the work of the Board, the BSRB has seven standing Advisory Committees (one for each profession regulated by the Board), which are primarily composed of licensees in each of the seven professions. Advisory Committees discuss topics relevant to the work of the Board and make recommendations back to the Board on potential changes to statutes and regulations governing the profession. These meetings are broadcast on the BSRB YouTube channel every-other-month. On a scale of 1 to 5, how familiar are you with the work of the Social Work Advisory Committee?
- Over the past two years, based on your observations and experience practicing in the social work profession, could you share information on any practice-related negative issues you have seen, such as areas where practitioners appeared to need more continuing education or training in a certain area?
- Over the past two years, have you experienced any issues concerning telehealth, either through professional practice or observations of other practitioners?
- How many individuals do you current provide supervision to?
- Over the past two years, have you experienced any negative issues involving supervision? If so, please explain.
- Do you currently use artificial intelligence (AI) in your practice? If you do, in what areas do you use AI?

- Based on your experience as a licensee in Kansas, do you have any recommendations on additional ways the BSRB could protect and serve consumers of services offered by BSRB licensees?
- Do you have any other comments or feedback you think would be helpful for the members of the Advisory Committee to receive when evaluating possible recommendations for changes to the statutes and regulations for the social work profession?
