**SUMMARY PROCEEDING ORDER**

Now on this 12 day of August, 2025, the above-captioned matter comes before the Complaint Review Committee of the Kansas Behavioral Sciences Regulatory Board (the "Board"). After reviewing its administrative records and otherwise being duly advised in the premises, the Board makes the following findings of fact, conclusions of law, and orders.

**FINDINGS OF FACT**

1. The Board is the duly constituted and acting agency of the State of Kansas authorized to administer and enforce the provisions of the Kansas Social Workers Licensure Act, K.S.A. 65-6301 *et seq.*, and amendments thereto (the "Act").
2. Respondent Tammy Robbins ("Respondent") is an individual with a last known mailing address of [REDACTED]
3. At all times relevant hereto, Respondent has been licensed as a Licensed Baccalaureate Social Worker (LBSW) within the meaning of the Act.
4. Respondent renewed her LBSW license online on or about June 4, 2024. Therein, Respondent represented that she had obtained forty (40) units of continuing education required to renew her LMSW license pursuant to K.S.A. 65-6313(b)(1) and K.A.R. 102-2-4a(a).
5. On or about June 9, 2024, the Board notified Respondent via email that she was subject to an audit of her continuing education hours pursuant to K.A.R. 102-2-11a. The Board requested Respondent return completed renewal audit forms and the original continuing education documents that validate all continuing education credit claimed for credit during the renewal period within 30 days.
6. Respondent did not respond to the June 9, 2024 audit notice. As a result, the Board sent Respondent follow up notices via email on August 7, 2024 and September 26, 2024, to which Respondent did not respond. A representative of the Board additionally contacted

Respondent via telephone on November 5, 2024 regarding the outstanding audit. A final notice was sent to Respondent via email and first class mail on November 15, 2024, providing a 30-day deadline to comply with the audit.

7. Respondent did not complete the audit within the 30-day deadline as required by the June 9, 2024 audit notice, or any subsequent timeframes identified in the notices sent to Respondent by the Board.

8. The Board opened an investigation into Respondent's failure to timely complete the audit. Respondent was sent a report of alleged violation ("RAV") on December 19, 2024 with a response due to the Board within 30 days. Respondent did not respond to the RAV within the 30-day period, and as a result, the Board sent a follow up request for a response to the RAV via email on February 19, 2025.

9. Respondent responded to the February 19, 2025 email on March 9, 2025, and communicated that she believed "the matter was completely over" because she could not provide proof of completion of her continuing education hours, and that her license would not be renewed.

10. On March 10, 2025, an investigator for the Board responded to Respondent advising her that her license was renewed on June 4, 2024 and that she may still complete the audit. Respondent was provided with the contact information for the Board's renewal specialist to assist with the audit. Thereafter, Respondent did not contact the Board's renewal specialist and as of the date of this Summary Proceeding Order, Respondent has not completed the outstanding audit.

### **APPLICABLE LAW**

11. The Act authorizes the Board to condition, limit, revoke or suspend a license as an LMSW, and/or publicly or privately censure a licensee or impose a fine not to exceed \$1,000 per violation upon a finding that a licensee violates any provision of K.S.A. 65-6311(a)(1) – (11);

12. K.S.A. 65-6311(a)(5) and (9) provide in relevant part that the board may condition, limit, revoke or suspend a license, publicly or privately censure a licensee or may impose a fine not to exceed \$1,000 per violation upon a finding that a licensee:

(5) has violated a provision of the social workers licensure act or one or more rules and regulations of the board;

....

(9) has been found to have engaged in unprofessional conduct as defined by applicable rules and regulations adopted by the board;

13. K.A.R. 102-2-11a provides:

- (a) A random audit of the continuing education documentation for 10 percent of the social worker licenses expiring each month shall be conducted by the board.
- (b) Each licensee selected for the random audit shall be notified in writing after the board has received the social worker's renewal application form required by K.A.R. 102-2-11.
- (c) Upon board notification, each renewal applicant for a social worker license shall submit the following to the board within 30 days after the license expiration date:
  - (1) The completed renewal audit forms; and
  - (2) the original continuing education documents that validate all continuing education units claimed for credit during the current renewal period.
- (d) Continuing education units that a renewal applicant for a social worker license earns after board receipt of the renewal application form shall not be approved for continuing education credit for the current renewal period.
- (e) Failure to comply with this regulation shall be considered unprofessional conduct.

14. Pursuant to K.S.A. 77-537(a) of the Kansas Administrative Procedure Act ("KAPA"), a state agency may use summary proceedings, subject to a party's request for a hearing on the order, if:

- (1) The use of those proceedings in the circumstances does not violate any provision of law;
- (2) the protection of the public interest does not require the state agency to give notice and an opportunity to participate to the persons other than the parties;
- (3) based upon an investigation of the facts by the state agency, beyond receipt of the allegations, the state agency believes in good faith that the allegations will be supported to the applicable standard of proof, provided however that an alleged failure to meet the standard set forth in this subsection shall not be subject to immediate judicial review and shall not invalidate any later agency action that has been supported to the applicable standard of proof; and
- (4) the order does not take effect until after the time for requesting a hearing has expired.

### **CONCLUSIONS OF LAW**

15. The use of summary proceedings pursuant to KAPA is appropriate in this case.

16. Respondent is in violation of K.S.A. 65-6311(a)(5) for violating a rule and regulation of the Board, namely K.A.R. 102-2-11a(c)(1) and (2), for failing to submit to the Board within thirty (30) days of notification from the Board completed renewal audit forms and the original continuing education documents that validate all continuing education units claimed for credit during the current renewal period. Pursuant to K.A.R. 102-2-11a(e) this failure also constitutes unprofessional conduct and forms the basis for discipline pursuant to K.S.A. 65-6311(a)(9).

## **ORDER**

WHEREFORE, in consideration of the above findings of fact and conclusions of law, and pursuant to the authority granted by K.S.A. 65-6311(a)(5) and (9) and K.S.A. 77-537, the Complaint Review Committee on behalf of the Board hereby finds and orders that:

- A. Respondent's LBSW License No. 4948 should be and is hereby **SUSPENDED** on an indefinite basis effective as of the date this Summary Proceeding Order becomes a final order of the Board, and until further order of the Board;

- C. Subject to Respondent first completing the required continuing education audit, Respondent may petition the Board for reinstatement of her LBSW license pursuant to K.A.R. 102-7-11(g). In connection with the request for reinstatement, the Board may consider any materials, information, evaluation or examination reports, or other documentation that the Board may request that will enable the Board to satisfactorily evaluate and determine whether or not the license should be reinstated, including without limitation the following factors:

  - (E) the individual's conduct subsequent to the license suspension;
  - (F) the time elapsed since the license suspension; and
  - (G) the individual's present competence in social work knowledge and skills
- D. In the event the Board approves the reinstatement of Respondent's LBSW license(s), the Board reserves the right to impose such other conditions or limitations as the Board in its discretion may deem necessary to protect the public interest, including without limitation, pursuant to additional information obtained by the Board relating to the subject matter of this Summary Proceeding Order.
